Sheila's trip to China

A lifetime experience...

I was very fortunate to be offered an 11 day familiarisation tour to China. I had little knowledge of the country and had no idea what to expect. I soon found out China is a wonderful country and every day there was a different experience.

There were many highlights which included 'The Great Wall', 'Tiananmen Square', 'The Rickshaw ride in the Hutong area of Beijing', 'The Li River Boat Cruise' and the gorgeous Chinese boy giving me a foot massage!!

We stayed in wonderful hotels in Beijing, Guilin and Shanghai (on our tour next year there will also be 2 nights in Xian). There was a mix of Eastern and Western food, I particularly liked the Chinese food, forget the Sweet & Sour and Chicken Curry at your local take away this was the real deal!

If you have always wanted to visit China, this is a great opportunity, do it now.. You will be very well looked after by Collette Holidays and you will enjoy the services of a professional Tour Manager and expert local guides throughout the entire holiday.

This really is an experience of a lifetime and the view from the 87th floor of the Grand Hyatt Hotel in Shanghai will stay with me forever.

Please don't hesitate to contact me if you have any questions about this tour.

Theatre Mailing List

Due to the popularity of the theatre breaks we have run in the past we are setting up a mailing list for Theatre breaks only.

If you want to be included please let us know, if you are already on the holiday mailing list it does not mean you will be added automatically.

Due to the success of the first trip we are running another trip to **Billy Elliot**, 1-2 September, £149 per person, please call us for further details. We look forward to many more Theatre breaks in the future considering London is the Theatre Capital of the world and is only just down the road!

More new vehicles...

We have for the forthcoming season purchased a new coach for our Touring Programme. A DAF VanHool similar to our last 2 new Tour Coaches. We keep updating our fleet for your piece of mind, safety and comfort.

We have also purchased 2 new minicoaches, a 24 seater and a 16 seater. These will be used for private hire and feeder services. They are more luxurious than our previous minicoaches so we hope you enjoy another season of coach travel with Bibby's of Ingleton.

Still available...

BUDAPEST One of Europe's truly great cities, first time visitors are overwhelmed by its sheer beauty.

Originally 2 cities Buda and Pest, the city is divided by the famous River Danube. There are many sights to delight the visitor including the Basilica of St Stephen, Castle Hill, 19th Century Citadel, the Great Synagogue, the Fishermans Bastion, Heroes Square and much more. Why not sample some European Culture and give beautiful Budapest, a visit with the added bonus of Vienna & Salzburg!!

NORMANDY

After many successful World War 1 tours to Ypres, we have taken our time in planning a World War 2 tour to the Normandy Landing Beaches. To do this properly we are taking with us on the tour a specialist guide who is a great friend of the company. He will provide a compelling and in depth study into the events which took place. So calling all you WW1 veterans of past tours we once again ask will you join the Bibby's battalion and do your bit for King and Country! New recruits are very welcome!
