## Summer Newsletter

May 2007

### The Hills are alive..

Due to the popularity of the previous trips to see **The Sound of Music** we are delighted to let you know we are going again. The dates are 8 & 9 March 2008 and the cost is £175. If you missed out previously make sure you book early to avoid further disappointment! If you are not already on our Theatre mailing list and would like to receive details of forthcoming Theatre trips make sure you contact us and ask to be added.

### **Also for the Theatre fans**

For those of you who are glued to the TV on a Saturday night while Andrew Lloyd Webber searches for a new Joseph this is for you. We are hoping to get 'Joseph' tickets for the beginning of 2008 so look out for further information and with any luck you might see your favourite contestant in action.

### **Staff News:**

We are delighted to let you know our youngest employee Bradley Sharpe has just passed his driving test. He had not been passed long when he was doing his first feeder from Bentham. Well done Brad.

### CORGI MODEL

I am sure many of you have seen the Corgi model of our 'Bedford OB' coach, we are pleased to let you know in July Corgi are releasing a model of one of our touring coaches. If you are interested in owning your own we will have some for sale.

### New Arrival...

We have purchased another new coach for the 2007 season. It is a DAF Vanhool offering the same luxury as our other touring coaches with a slightly different livery on the outside and an exciting new interior. We are really pleased with it and think it looks great! We hope you all enjoy the Dales Charisma!

### **Come fly with me!**

We have some extremely exciting air holidays, the first is **New England**. Soak up the beautiful autumnal colours and enjoy a cruise on the stunning Lake Winnepesaukee, indulge in a traditional New England lobster feast, experience the picturesque maritime town of Salem and much more on this wonderful tour. Alternatively travel in the opposite direction to wonderful **South Africa**. On this non stop tour you will visit the breathtaking Drakensburg Mountain Range en route to Kruger National Park, experience unforgettable Safari Game Drive and stay in Cape Town where you will visit many sights such as the infamous Table Mountain. This really is a once in a lifetime experience.

If you would like somewhere a little closer to home why not visit the beautiful island of **Cyprus**. The weather should be very pleasant in September (12th-19th). For further details on any of the above holidays just give us a call.

We also have some exciting long haul tours in the pipeline, look out for details for an amazing holiday to **New Zealand** in early November 2008. ### Working together with local schools

In February Chris was invited to Ingleton Middle School along with other businesses from the area to talk to the children about local career prospects. On the day Chris encouraged the children to take part in a coach spotting challenge, which involved the children spotting as many of our fleet as possible, writing down where and what time they saw each vehicle before the end of April.

The winner was James Lund from Ingleton who won a Corgi model of our Bedford OB coach and a goodie bag.
